

Project Design Phase-II

Data Flow Diagram & User Stories

Date	01 July 2026
Team ID	SWTID-2026-9246
Project Name	AI-Enabled Student Admission System
Maximum Marks	4 Marks

Data Flow Diagrams:

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. A neat and clear DFD can depict the right amount of the system requirement graphically. It shows how data enters and leaves the system, what changes the information, and where data is stored.

User Type	Functional Requirement (Epic)	User Story Number	User Story / Task	Acceptance criteria	Priority	Release
Applicant (Student)	Registration	USN-1	As an applicant, I can register for the application by entering my email, password, and confirming my password.	I can access my account / dashboard after successful registration.	High	Sprint-1
		USN-2	As an applicant, I will receive confirmation email once I have registered for the application.	I can receive confirmation email & click confirm link successfully.	High	Sprint-1
		USN-3	As an applicant, I can register for the application through Facebook.	I can register & access the dashboard with Facebook Login.	Low	Sprint-2
		USN-4	As an applicant, I can register for the application through Gmail.	I can register & access the dashboard with Google Login.	Medium	Sprint-1
	Login	USN-5	As an applicant, I can log into the application by entering email & password.	I can login successfully and view my dashboard.	High	Sprint-1
	Dashboard	USN-6	As an applicant, I can view my application status, tasks, and important notifications on my dashboard.	I can view application status, pending tasks, and notifications.	High	Sprint-1
	Application Form	USN-7	As an applicant, I can fill and submit the admission application form.	I can submit the application form successfully.	High	Sprint-1
	Document Upload	USN-8	As an applicant, I can upload required documents as part of my application.	I can upload, preview and submit documents successfully.	High	Sprint-1
	Application Status	USN-9	As an applicant, I can track the status of my application.	I can view real-time status (Submitted / Under Review / Shortlisted / Accepted).	Medium	Sprint-2
	Fee Payment	USN-10	As an applicant, I can pay the application fee online using the payment gateway.	I can complete the payment and receive confirmation receipt.	High	Sprint-1
Counselor / Admission Officer	Application Review	USN-11	As a counselor, I can review applicant profiles and documents.	I can view complete applicant profile and documents.	High	Sprint-1
	Communication	USN-12	As a counselor, I can send updates and notifications to applicants.	I can send email/SMS notifications to applicants.	Medium	Sprint-2
	AI Recommendations	USN-13	As a counselor, I can view AI generated scores and recommendations for applicants.	I can view AI score, fitment and recommended program.	High	Sprint-2
Administrator	User Management	USN-14	As an administrator, I can manage system users and roles.	I can create, update, and deactivate users and assign roles.	High	Sprint-1
	Reports & Analytics	USN-15	As an administrator, I can view admission reports and dashboards.	I can view real-time reports and export data.	Medium	Sprint-2
